

## **PA Camp 2025**

We are excited to see you at P.A. 2025!

Plan to arrive at the Fontainebleau State Park Group Camp near the Cabins on the lake between 8:00 AM and 8:45 AM on the first day of PA Camp. There will be a parent meeting at 3:00 PM on the final day for campers for ALL camps this year. Please notify the park at the gate that you are dropping off and picking up your youth for PA Camp to avoid park entry fees. **Please observe the speed limit signs in the park as it is STRICTLY enforced by park staff.**

Whether this is your first year at P.A. or if you have been before, you can plan on having an incredible time. We are putting together a great experience that will have a balance of workshops, presentations, small group activities, discussions, fun activities, and a few surprises. Each camper will receive an official PA Camp 2025 T-shirt the last night of camp and we will have additional Action merchandise available to purchase.

Action Youth and Community Resources is excited to be hosting P.A. again this year at the Group Camp in Fontainebleau State Park, which is located 62883 Hwy.1089, Mandeville, LA 70448. As this is a group facility, campers will be sleeping in rows of bunk beds in a large room with other campers of the same sex. All meals are included in camp fees.

Historically, there have been very few theft problems with items at P.A. However, the rooms aren't locked, and we highly discourage you from bringing valuables such as electronic equipment. Students **may not** bring laptops, TV's, or anything of the sort. Please see our updated cell phone policy on the following page.

You **are required to be at the camp for the entire duration.** If you have any conflicts during the week, please plan now, as you won't be allowed to return if you leave. There will be **no exceptions** to this rule. Each camper is assigned to a small group, and when they leave and come back for anything other than emergencies, it has a significant impact on their own experience in addition to the experience of the other campers in their small group.

**A medical form is attached to this packet along with PA Camp Details. Please read these carefully and bring your completed medical form to check in on the first day of camp.**

We hope you are excited about P.A. and we look forward to seeing you this summer. If you have any questions, call Jeff Polito or Missy Segreti on the Action phone line at (985) 205-1347.

Sincerely,

Jeff Polito  
Action Executive Director

### **Updated Cell Phone Policy**

Although cell phones are not prohibited at PA Camp, we strongly encourage you to consider, as the parent/guardian, sending your child to camp without their cell phone. For forty-two years, PA Camp has served the youth and community of St. Tammany Parish by offering a retreat style environment and the use of cell phones prevents our youth from disconnecting from the outside world to embrace the leadership skills they are learning at camp. This is the perfect opportunity for your child to focus on their interpersonal communication skills, which is an important topic discussed at PA Camp each year. It is important for us to remind you that if you chose to send your child to camp without a cell phone and there is an emergency, you can reach us at camp by calling the Action phone number (985) 205-1347 and Staff members have your contact information easily accessible if needed. Campers who arrive at PA Camp with a cell phone will be required to leave their phones in their bunk throughout the day during small group time, presentations, and socialization time (these times vary each day). Upon checking in, parents may request for their child to check in/out their phone with a staff member at the start and end of each day. This option will allow them to disconnect and enjoy their PA Camp experience during the day and connect with loved ones at wake-up and bedtime as well as provide them with music or white noise using headphones at night.
